Disclosure of Conflicts of Interest
Postgraduate Institute for Medicine (PIM) requires faculty, planners, and others in control of educational content to disclose all their financial relationships with ineligible companies. All identified conflicts of interest (COI) are thoroughly vetted and mitigated according to PIM policy. PIM is committed to providing its learners with high quality accredited continuing education activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of an ineligible company.

The faculty reported the following relevant financial relationships with ineligible entities related to the educational content of this CE activity:

A few examples include the following:

The faculty has nothing to disclose.
The PIM planners and others have nothing to disclose. The AAPT planners and others have nothing to disclose.

Method of Participation and Request for Credit

In order to obtain your CE certificate, please follow the steps below at the conclusion of the activity. You must complete all sections of the activity to obtain 10 hours of credit.

If you have questions regarding the certification of this activity, please contact PIM via email at inquiries@pimed.com.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and AAPT. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Continuing Pharmacy Education
Postgraduate Institute for Medicine designates this continuing education activity for 10 contact hour(s) (1.0 CEUs) of the Accreditation Council for Pharmacy Education.
(Universal Activity Number - JA4008162-9999-21-2720-H06-T)
Type of Activity: Application

Computer System Requirements
Access from computer and all mobile devices.
Recommendations for computer software, operating system (OS), and internet speed as follows. 1) High speed internet access which allows internet browsing and video playback with recommended internet connectivity minimum of 512kbps, 2) Up to date web browser software (Chrome, Firefox, Edge or Safari), 3) Windows OS 7 and newer, Mac OSX 10.6 and newer, or Linus-Chrome OS systems and 4) Use a computer 5-years old or newer when possible, 1GB of RAM, 2GHz processor.

Disclosure of Unlabeled Use
This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

Disclaimer
Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.
